Enter For A Chance To Win!

**INTELIGHT SMART SIGNALS IMPROVE SAFETY
WHILE REDUCING POWER USAGE AND GREENHOUSE EFFECTS**

Brown Traffic Products & Intelight, Inc. will provide the equipment and onsite technical assistance for **2 Electronically Steerable Beam Signal Heads (ESB)**. Please provide the answers to the following questions and your contact information for a chance to win.

- 1** What is your experience with Optically Programmable Visibility Signal Heads?
- 2** Does your agency have Pedestrian-only actuated signals or school flashers? If so, what type(s) are they?
- 3** How would your agency benefit from or take advantage of running signalized intersections off of low voltage DC power?

To enter, contact **Brown** at **563.323.0009**, e-mail **sales@browntraffic.com** or visit **www.browntraffic.com**. Enter monthly to have 12 chances to receive Green Benefits for your Community. *October promotion open 09/01/09 to 10/31/09.*
