TRADE-IN Pricing On:

RZ-4 ADVANCED™ WDR Cameras with LAMADAPTOR

The RZ-4 Advanced is Iteris' premium video detection camera. Optimized for traffic video detection, the RZ-4 Advanced combines Iteris' best-in-class all-weather performance with simple installation, backward compatibility and the power to adjust the camera from the cabinet – providing an advanced, easy to use solution for Iteris' Vantage® vehicle detection systems.

- Specifically designed for vehicle detection applications
- Optimized to work with Iteris' advanced detection algorithms
- Improved color and clarity of the video image, ideal for connection to an EdgeConnect™
- Quick-click connectors and adjustable camera mount streamline installation and minimize setup time – **no crimping tools required!**
- Cable termination located at the rear of the camera simplifies cable connection
- Set up and configure at the camera or from the ground
- Use your current LAM or LAMVIEW for set up with LAMADAPTOR-sold separately
- Advanced heater enables optimal video detection performance in adverse weather conditions.

- Upon receipt of a “RZ3/short tube” camera, customers may **purchase a new replacement RZ-4 Advanced™WDR** for **\$1360.00 with a 3 year warranty.**
- The cost of the **LAM (without color display) will be \$525.00** or **LAMVIEW (with color display) \$850.00**
- The cost of the LAM Adaptor **will be \$525.00 (Will need at least as many adaptors as you have LAM's)**
- **If you already have a LAMADAPTOR, it will need to be sent in also for an upgrade to be compatible with all new Iteris cameras**

Benefits of the trade-in offer:

- Upgrade your older, existing cameras that have gone **out of warranty** to the latest technology camera with a **3 year warranty.**
- Opportunity to try the new RZ-4 Advanced™WDR camera at a reduced price
- Contact Brown Traffic Products to Trade-in your old cameras today, 563-323-0009. (This will be handled as an RMA through Tim Harris or Joan Kasten)
- **On site technical assistance is available and will be quoted upon request separately**
