

Brown Traffic Products will be conducting frequent iLink events beginning January 2010. We are asking your assistance in determining the subject matter of these sessions. Several subjects are included. Please fill in the blanks for subjects you would like to see presented. Fill in as many as you would like. The more subjects, the more frequent we will hold the sessions.

Also, below right on the calendar, please circle the best day of the week (Monday-Friday) for these sessions to occur. Within the circle write in the best time of day you'd like to see the sessions occur.

Questionnaire
